Copay Assistance Service Drug List

As of January 1, 2025

For customers using the Cigna HealthcareSM Performance, Advantage, or Legacy (Performance) Drug List

This is a list of the specialty medications that are eligible for the copay assistance service SaveOnSP administers.¹ Some medications need approval (prior authorization) from Cigna HealthcareSM before your plan will cover them. **If you use this service, you'll pay as little as \$0 for your medication.** You'll need to complete the manufacturer copay assistance program's enrollment process, and you'll have to let SaveOnSP review your specialty medication claims on an ongoing basis.² **If you choose not to use this service** (or not let SaveOnSP review your claims), you'll pay a 30% coinsurance to fill your medication unless noted otherwise.

1. The list of eligible medications and their coinsurance are subject to change. Your pharmacy plan's coverage rules will always come first.

2. SaveOnSP will check your pharmacy claims to make sure you're being charged the correct amount. They won't look at any other information. Your claim information won't be shared with anyone other than Cigna Healthcare (if necessary).
